

I have seen a vast improvement in my children's emotional well-being. I attribute this change to [the MFLC] and her support group.

It has been the key factor in getting my children through this terribly sad and emotional time in their lives.

Neither I nor my husband could even begin to thank her enough for what she has done for [my children]. My husband is due home in about two weeks, and we all are thankful for that day to come. When he does return, he will come to group to personally thank [the MFLC], along with pictures of happy children welcoming home their Daddy, a United States Marine.

With utmost respect, a Military Spouse
