

All parents need to sign up

SCHOOLGY

Schoology is our Learning Management System. It serves as a communication and instructional hub for our students and families.

Communicate with Teachers

View grades, tests, and student progress.

Receive notifications on upcoming assignments and tests

Events

Stay up-to-date on Lowndes County School District and School events and news

Receive your child's Weekly Schoology Summary

You can sign up for Schoology by:

Get an Access Code from your school's counselor or your child's teacher

Go to <https://www.schoology.com/>. You must be on the web version to register.

Click "Sign Up" found on the top right.

Fill in your information. Do not use your child's email.

Go to the App Store to download the free Schoology App for access on the go.

BENEFITS

Schoology provides students a personalized experience. It allows students to keep resources and school materials available online, at any time. It provides students with opportunities to engage in online learning tasks and discussion in a very engaging way!
