

NCAA CLEARINGHOUSE

Student athletes enrolling at an NCAA Division I or II institution need to register through the Eligibility Center Web site. After you have registered, let your counselor know so that a transcript can be sent. Students should have their ACT scores sent directly to the Eligibility Center, using the code 9999. **Go to www.eligibilitycenter.org and click on "New Account".**

If you have any questions: NCAA toll free number: 877-262-1492

*****Community colleges do not require NCAA Clearinghouse registration.**
